STRONG. STABLE. SECURE.

The almost unprecedented economic upheaval we are experiencing has shaken confidence in the strength and stability of our financial system. There's no doubt that the world is much more financially complex than it used to be. Now, more than ever, people need more information about the companies they do business with. How strong are they? Will those companies be there when it comes time to pay the promised benefits?

United of Omaha invests for the long term. We don't share Wall Street's obsession with quarterly earnings, and our disciplined approach to investing has contributed to our ability to better withstand market turmoil.

You can count on United of Omaha Life Insurance Company for the strength, stability and security that's even more important in these uncertain times.
