Fund performance figures shown are net of investment and administrative fees. Your plan's specific returns may be lower. An administrative fee of .00% is reflected. Also, current performance may be lower or higher than the performance data quoted above. Contact your plan administrator or access your online account for your plan's returns current to the most recent month-end.

Companion Life Insurance Company began offering retirement program products effective 8/21/07. The historical performance reported prior to 8/21/07 is the performance of these funds in the United of Omaha retirement program product.

All funds may not be available as an investment option in a plan. Plans may also offer other investments that are not listed above. Figures are reported on a total return basis, which is the change in value of an investment over a given period, assuming reinvestment of any dividends and capital gains. Investments assume a lump sum is invested at the beginning of the time period shown. The results for individual accounts and periods may vary. You cannot invest directly in an index. Index names may contain trademarks and are the exclusive property of their respective owners.

There is no guarantee the funds will achieve their objectives, and past performance is no guarantee of future returns. Fund value and investment returns will vary, and principal value, when redeemed, may be worth more or less than the original investment. The funds are not insured by the FDIC or by any other governmental agency; they are not obligations of the FDIC nor are they deposits or obligations of or guaranteed by the investment managers or their organizations. International investing involves special risks, such as political instability and currency fluctuations.

* Returns less than one year are not annualized.

- 1 Performance shown is representative of accounts managed by Stadion since 8/31/07. The Active Account Management strategy uses a "Core/Satellite" structure. Prior to 1/15/08 the Satellite portion was tactically allocated using the pooled investment options available to plan participants. Returns are net of Stadion's investment advisory fees (assumed to be QDIA: 0.75%) and the fees and expenses of the underlying funds. Returns have been calculated by Stadion Money Management. Actual individual performance results will vary. Returns net of the Participant Choice fee of 1.25% can be found at www.getretirementright.com/documents/retire/fund_profiles/fund_pc.pdf
- 2 The Mutual Directions Portfolios were created on 08/21/07. Prior to the inception of the Mutual Directions Portfolios, the performance presented is constructed from the actual performance of the underlying investments based on the target allocation of the Portfolio and does not take into consideration any possible variations in allocation due to market impacts that might have occurred during the historical period. Returns are net of investment fee that includes 0.05% portfolio expense charged by Companion Life Insurance's retirement program product.

- 17 The Guaranteed Account is an individual investment choice and is not part of the program used by Mutual of Omaha to monitor investment options in the Retirement Savings Program. The illustrated returns are intended for historical comparison only and are not intended to represent actual returns for any individual contract. Actual returns will vary for each contract and will depend on the timing of the deposits and withdrawals. For this illustration, returns are calculated assuming that a \$100 deposit is invested at the beginning of each month (starting 12/91), held in the contract for five years and then withdrawn with interest at the end of those five years. The resulting returns are the weighted average of the initial guaranteed rates for the prior 60-month period. Note: Investors who redeem, transfer or exchange any amount out of the Guaranteed Account must wait 60 calendar days before transferring or exchanging any amount back into the Account.
